

The Activation Procedures for N-Solution 2007

Thank you for ordering N Solution 2007. Your software need to be activated in order to obtain a full (registered) version. Your N Solution 2007 can be activated via the following two methods.

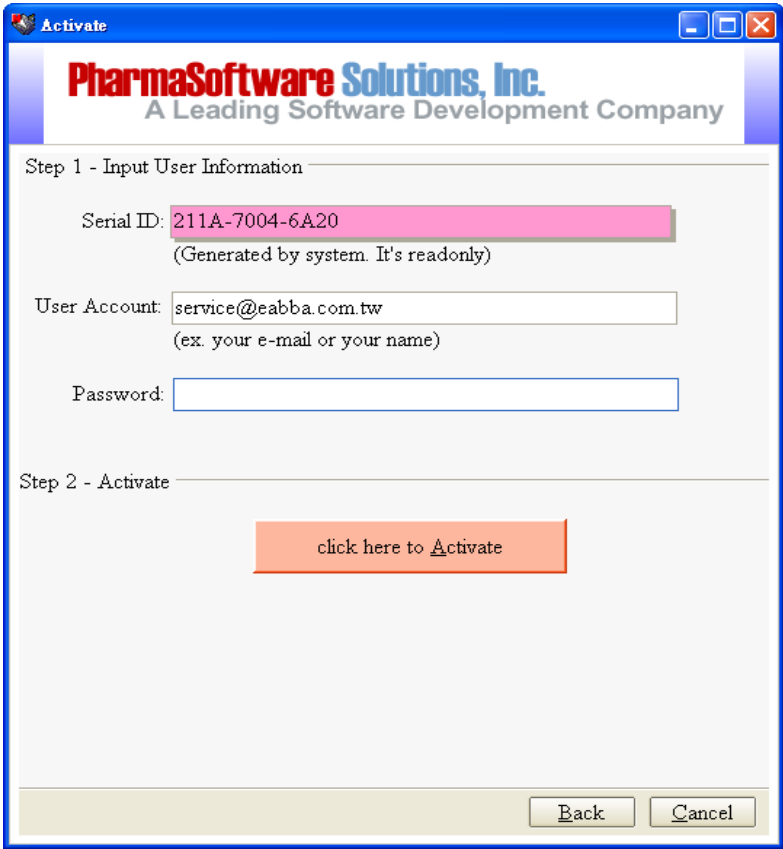

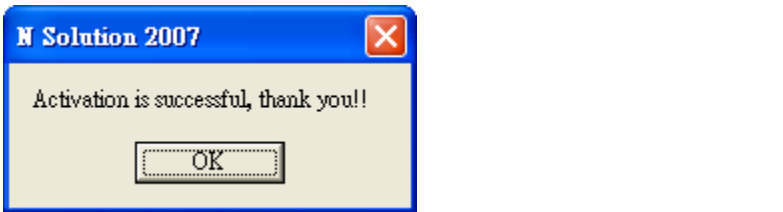

Activation via internet

If you are already connected to the internet, activation can be done automatically by simply choosing this option and then clicking "Next" in the bottom.

Activation manually

If you do not have internet connection, you can obtain activation key to activate your N Solution 2007 by simply choosing this option and clicking "Next" in the bottom.

Richard: Changes have been made in the text on the left hand side.

	<p>Input User's Information</p> <p>Delete (Generated by ...)</p> <p>User's Account (e.g., your e-mail or your name)</p> <p>Q: any restrictions on password? For example, has to be some letters and numbers etc?</p>
	<p>You have to enter password that will be in</p>
	<p>Activation is successful. Thank you!</p>

Activate

PharmaSoftware Solutions, Inc.
A Leading Software Development Company

Step 1 - Input User Information

Serial ID: 211A-7004-6A20
(Generated by system. It's readonly)

User Account:
(ex. your e-mail or your name)

Password:

Step 2 - Input Activation Key

Activation Key:
(ex. 18B8DDBD022D1C4F7FD789E5846B591A274D57C8609AF8CF0D03)

If you have not activation key, please choice one option as below to get it

[click here to get by web page](#)

[click here to get by e-mail](#)

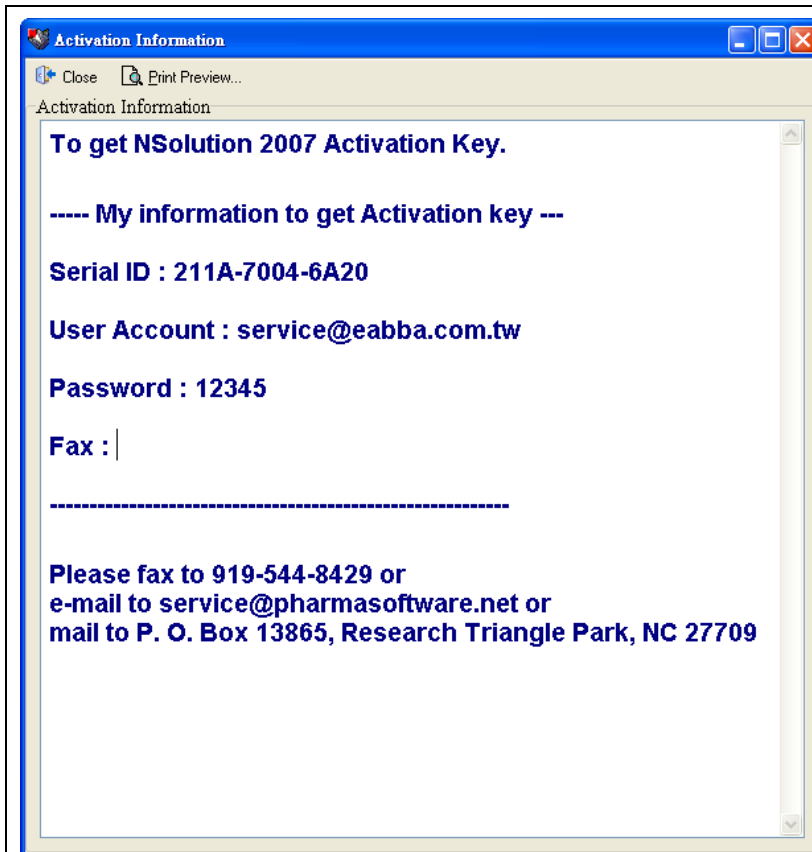

[click here to create letter by FAX or MAIL](#)

Step 3 - Activate

[click here to Activate](#)

Activation key seems to be too long. How about sixteen characteristics such as AAAA-BBBB-CCCC-DDDD

I don't quite understand the three options: Click here to get by webpage

To obtain N Solution 2007 Activation Key.

--- Input the following information ---

Serial ID : 33CD-F0B4-E06F

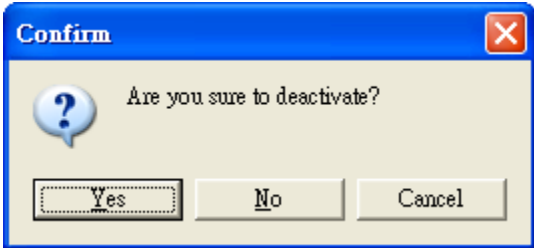

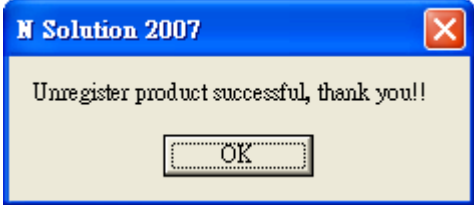

**User Account :
richard@eabba.com.tw**

Password : 16583065

Fax :

**Please fax to 919-544-8429 or
e-mail to
service@pharmasoftware.net or mail
to P. O. Box 13865, Research Triangle
Park, NC 27709**

Q: can the user
print out a form
and then fax it to
us?
